

VITA DIRECTORS

ROMAN KAELIN

born in Einsiedeln, Switzerland. Before he started to move on to filmmaking and visual effects, he studied architecture at the ETH in Zurich. In 2007 he started to study at the Filmakademie Baden-Wuerttemberg in Germany with his major in Animation and Effects. In 2009, he created his first VFX driven short movie called "Formic". His follow-up film "a.maize" was the trailer and branding for the FMX in 2011. During a term abroad he worked at Glassworks, Psyop and Polynoid. In 2014 he graduated with his short film "Wrapped".
